SUMMARY

Bachelor of Science in Information Technology student at Universidad de Manila with foundational knowledge in computer networking, IP addressing, and cloud technologies. Experienced in academic projects involving web development, software testing, documentation, and basic Microsoft Azure services. Completed the Junior Cybersecurity Analyst Career Path and NC II in CSS. Seeking an OJT opportunity to further develop my skills in cloud engineering, networking, and IT infrastructure.

EDUCATION

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY

Units taken: Web Development, Networking, Cybersecurity, Software Development, System Analysis and Design, Information Security Assurance, Machine Learning, Platform Technology (Cloud Engineering)

CERTIFICATES

- Computer Systems Servicing NC II — TESDA, 2023
- Junior Cybersecurity Analyst Career Path — Cisco, 2026

TECHNICAL SKILLS

- Networking: IP Addressing, Basic Network Configuration, Cisco Packet Tracer
- Cloud: Microsoft Azure, Azure Virtual Machines, Azure Static Web Apps, Resource Groups, IIS

PROJECTS

Barangay Issuance and Complaint Management System (BICMS) - FRONT END DEVELOPER (LOW CODE) | HTTPS://BICMS.VERCEL.APP/

- Assisted in developing the frontend of a barangay management system for handing out certificate requests and complaints to residents. Also helped to document the system.

BRGY-AI – BARANGAY LEGAL ASSISTANCE SYSTEM | CAPSTONE | ACTIVE

- Contributing to develop a mobile-based system that assists barangay residents to find legal information, create documents, file a complaint, and to help residents who don't have legal literacy.
- Assess the documentation paper and test case to ensure that every feature is working as planned.

TECH IT - LEAD PROGRAMMER FOR FUNCTIONS | GODOT ENGINE

- Configured the functions for every button and feature of an educational game that encourages upcoming college students who will choose BSIT.
- Proofread the documentation paper and contribute to the visuals of the app.

ADDITIONAL INFORMATION

- STRENGTHS: Team collaboration, Attentiveness, Time management, Communication, Open to criticism in order to improve.
